

Copper Cove Resort

Copper Cove Marina is a world class development located on the pristine waters of Spencer Gulf in South Australia.

Situated in historic Wallaroo a 90 minute drive from Adelaide in an area known as the Copper Triangle, Copper Cove also takes its name from the region's proud heritage of copper mining.

The Copper Cove Marina development is substantial with around 500 housing allotments, 275 of which are waterfront and 178 are conventional.

The Copper Cove Resort & Marina Apartments consists of a luxurious Hotel including restaurants, gaming facilities, bottle shop and bars and a 6 storey accommodation building complete with 1 Br marina apartments and 3 luxury 3 Br penthouses, each with their own roof top sky terrace. This landmark blue water project features commanding marina views and spectacular un-interrupted ocean vistas.

COOPERS ALE HOUSE at the sensational new Wallaroo Marina Hotel opened the week before Christmas and has been doing a roaring trade.

The dining room has magnificent views of the marina entrance and sweeping views of North beach, while the Ale House and deck area have panoramic views of the Copper Cove Marina and up the Canals. The lavishly appointed gaming facilities are first class and the drive through bottle shop is also now open.

The adjacent six storey resort accommodation with twenty seven luxury units and three roof top penthouses will be completed around mid year 2008.

Smith Brothers commenced plumbing works in September 2007 to do the sewer drainage, septic tanks, fire, fire service. Due to there being no SA Water sewer mains, a large 30,000L septic tank and pump stations were installed.

The job was completed with a crew of 3-4 tradesmen working away for five days and returning for weekends.
