RICHMOND SA 5033

Dear Mr. Loizos,

On behalf of World Vision Australia, we would like to acknowledge and thank you for the wonderful support received from you and your company in the fit out of our new office space in Flinders St, Adelaide.

Because of Smith Brothers Plumbing's support, the South Australia and Northern Territory World Vision team have witnessed increased effectiveness, creative ideas being generated and a culture of teamwork develop in our new, adaptable work environment.

Without your support this growth and progress would never have happened.

In addition to the increased capacity our new workspace has generated, the money saved on this project as a result of Smith Brothers Plumbing's generosity has meant more funds can be directed to individuals and communities desperately in need of World Vision support.

On behalf of World Vision Australia and the communities we work with, we would like to express our sincere gratitude.

Yours sincerely,

Claire Marsh (on behalf of the entire SA/ NT Team)
